Parents' Responsibility for Children

Parents are responsible to supervise their children and youth before and after RE class time. Older children (anyone not of nursery age) will be asked to come to and remain in Cushing Hall during our social hour. Nursery age children may either stay in the nursery until 11:45 or come to our social hour after a parent signs them out of the Nursery. We urge parents to know of where their children and youth are and who is with them.

Behavior/Safety Expectations

All children are expected to behave with respect to each other, adults, and our church spaces and in accordance with the religious education class behavioral covenant. Should a behavioral issue arise, every attempt will be made to resolve it in the classroom. If additional support is needed, the child's parent(s) will be contacted to help work out a solution.

I have read and understand the above Safe Congregation Policies regarding the RE Program.
